

The Stratchcona Hotel:

RATES:

- \$145 plus 16% taxes per room per night for standard rooms with either one queen bed, one king bed or two twin beds
- \$165 plus 16% taxes per room per night for executive rooms with either one queen bed, one king bed, two double beds or two queen beds

The rates are for single/double occupancy with an extra \$20 per person for triple/quad occupancy. There will also be an option to book an economy room (one single bed) for \$125/night, a room with one double bed for \$125/night and the executive suite for \$265/night. These three room types are very limited in their availability so they probably will not show as bookable for too long.

The rooms are bookable via phone (416-363-3321), email (reservations@thestrathconahotel.com) or by using the following link:

The rates will be guaranteed until May 20, 2016, after which time the rates will then be bookable based on our room availability only. The rates are available between June 18-27 for guests who wish to arrive earlier or stay later.

100 have been blocked per night at this time and and will be monitored to see if it needs to be adjusted at any point.
